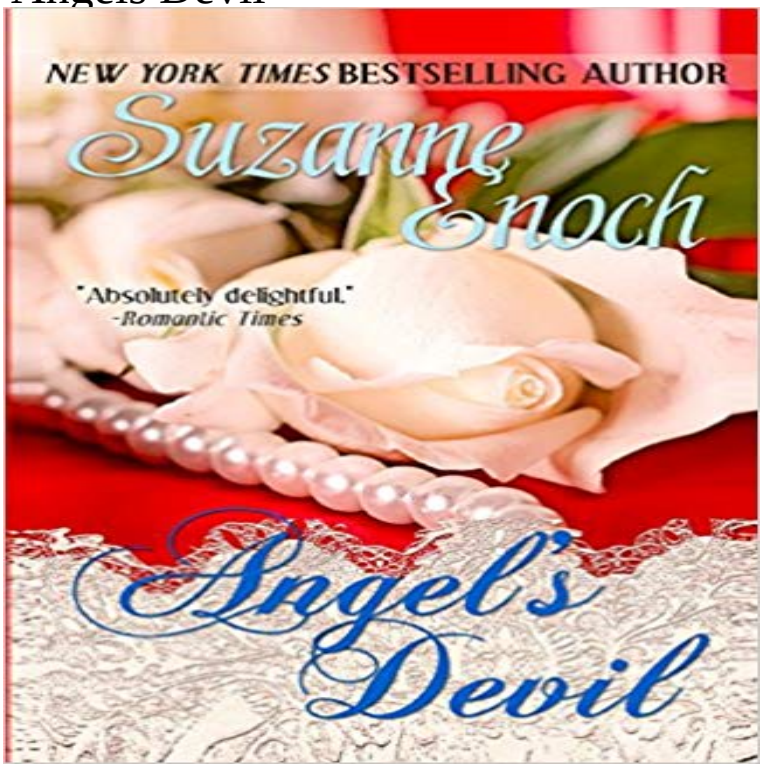
Angels Devil



The lovely Angelique Graham knows her strengths - and patience is not one of them. So, instead of waiting nine months to wed her beloved Simon, as per her overprotective parents edict, Angelique decides to use Simons cousin, the dashing Lord Faring - rake of all rakes - just back from war, to throw her parents into a panic. After all, what parent in their right mind would want their daughter to be courted by the notorious Lord Faring? Though Angelique has plotted and planned every move...it seems love has a different plan. When the game playing gets serious...will Angelique be able to resist the charms of Lord Faring? And once she discovers the man underneath the legend, will she even want to? Fans of the traditional Regency will delight in this classic!
