

The Lord Is My Shepherd: Healing Wisdom of the Twenty-third Psalm

Rabbi Harold Kushner believes that the Twenty-third Psalm--perhaps the most memorable and cherished chapter of the Bible--offers spiritual riches that can change a person's life. He has found that these simple, beautiful verses, full of honesty and optimism, have an almost magical power to comfort and calm. The psalm does not pretend that life is ever easy, but it offers a masterful guide to living in the world with faith and courage. Drawing on over forty years of his own thinking, on other biblical scholars, and on history, Kushner gracefully demonstrates how this sustaining work can help us cope with every aspect of life, from mundane jealousies to the death of a loved one to unimaginable tragedies of global proportions.

Science is powerless to answer the most important question of all: Is the universe a friendly place, supportive of human hopes?
