

Sound of the Sea

A Victorian childhood From the acclaimed author of *Three Fevers*, *Love in the Sun and Foreigners*, here Leo Walmsley returns to his childhood in Bramblewick (Robin Hoods Bay) with more tales of village life as seen through the eyes of a young boy... Village rivalries, shipwrecks, celebrations and tragedy. In *Sound of the Sea*, Leo Walmsley uses his expert storytelling skills to provide us with a unique snapshot of life in an English fishing village. Graham Higson, author ...every word ... carries a ring of truth and indeed the very sound of the sea. *Times Educational Supplement*
