

Java with the Judges (Coffee Cup Bible Studies)

Java with the Judges is part of the Coffee Cup Bible Studies, a series of Bible studies for women in compact, workbook format that examine the life and times of certain Bible characters and the books of the Bible that pertain to them. Each study is to be read over a four-to-six week period, and study sections are broken down into short, daily segments designed to fit readers busy lifestyles. Understanding that time is precious, the Coffee Cup Bible Studies are patterned in such a convenient way that they can be read during brief windows of opportunity that allow for meditation and study (breakfast, lunch, coffee breaks, etc.). Scripture is provided from the NET Bible (New English Translation), making Bible study convenient for occasions when you can't carry a Bible. As Sandra sprinkles unconventional thought processes throughout the study, she shatters preconceived myths about the commonly known judges and sheds light on the more obscure ones. As a result, more emphasis is placed on the vulnerabilities of these men and women and the fact that God chose each of these flawed creatures to use for His greater glory.
