

## Rocky Road (Men Made in America: Maine #19)

Her Maine Man, After years of living dangerously and a narrow escape from death- Matthew Connelly returned to Muscatoon Island. The tiny patch of land off the rocky coast of Maine was the perfect spot for his enforced solitary confinement. He wanted privacy... peace and quiet... rest and relaxation. What he got was Jeannie MacPherson, the do good girl next door. She was determined to get close to her crotchety new neighbor. But with the secret Matthew had to hide, he was just as determined to keep her away. This is from the back cover of the book.
