

## Midnight Sun (Sinclair Sisters Book 1)

One of a kind. Kat Martins heroes are as rugged and tough as they come, but honor rules no matter how hot the temptation. . . Call Hawkins just wants to be left alone and leave the past where it belongs. The bleak beauty of Dead Horse Creek is a perfect place to get away from the world. . . a place where nothing exists to remind him of everything hes lost. His isolation is complete--until Charity Sinclair arrives fresh from New York City. Stunningly beautiful and stubbornly independent, shes also shamefully ignorant of the untamed wilderness. . . and the very real dangers shell face if Call doesnt teach her a thing or two. But even with Calls grudging help, Charitys dream of life in the Yukon may have led her into something much more savage than the forest: A menace as endless as the long days that run together without darkness--and a killer who wont let anything come between him and perfect, deadly vengeance. . . Terrific, adventurous fun. RT Book Reviews
