

End Street Detective Agency Vol 2

The Case of the Dragons Dilemma Bob and Sam take their kind-of-adopted-now vampire daughter Mal to look at new schools. Mikhail is left to babysit the last of the remaining rescued children whilst they are away. When Sirens appear to steal her away, he is left facing the attack alone until a mysterious hero comes to his aid. Ryujin, or Jin to his friends, is a dragon shifter and his role as Captain of the Dragon Guards puts him in direct conflict with Mikhail. The minute he sees Mikhail he knows what he wants. Now if he can only get Mikhail to see the same. The Case of the Sinful Santa Zephariel is the Angel of Vengeance and is tracking down his cousin Danjal for misuse of brimstone. When he walks into a bar and finds Nick Klauson drowning his sorrows, he is instantly drawn to him. Could this be his fated mate? When Nick and Zeph join forces to deal with zombies in Mals school, sparks fly. Add in a demon, a wolf and a necromancer, and Sam and Bob have a hunt on their hands.
