

Special Delivery

When your deepest, darkest fantasy shows up, get on board. *Special Delivery*, Book 1 Sam Keller knows hell never find the excitement he craves in Middleton, Iowa not while hes busting his ass in nursing school and paying rent by slaving away in a pharmacy stockroom. Then Sam meets Mitch Tedsoe, an independent, long-haul trucker who makes a delivery to a shop across the alley. Innocent flirting quickly leads to a fling, and when Mitch offers to take him on a road trip west, Sam jumps at the chance for adventure. Mitch is sexy, funny and friendly, but once they embark on their journey, something changes. One minute hes the star of Sams every x-rated fantasy, the next hes almost too much a perfect gentleman. And when they hit the Las Vegas city limit, Sam has a name to pin on Mitchs malady: Randy. For better or for worse, Sam grapples with the meaning of friendship, letting go, growing up even the meaning of love because no matter how far he travels, eventually all roads lead home. This book has been previously published and has been revised from its original release. Warning: This story contains trucker fantasies, threesomes and kinky consensual sex.
