What is the craziest thing you would be willing to do for a friend? After winning her bid at the bachelor auction, Sabine vows she is never doing another embarrassing favor for a friend. This is especially true for favors that involve spending large sums of money and buying men whose last names she doesn't even know. In twenty bachelors, Sabine maybe expected to find several Davids, Mikes, or Johns. But what were the odds of two Todds? And now what is she going to do on a very expensive date with the wrong one?
