PATHWAY 2nd Edition, the channeled love and wisdom from the Trans-Leations by David Knight. Although the Trans-Leations reside 1000 light years from Earth, they have been tasked by God to aid humanity through channeled writing and inner dictations. Their connection will help us all to open our hearts and minds while assisting in our individual and global Ascension process. Through these beings of light and love; we are also encouraged and guided to realize our own Divinity. We are given knowledge to improve our lives in seeking true wisdom within ourselves. In our self-realization, we can continue to understand the souls ultimate goal and return to Universal peace and love, our true home. These extraordinary communications, some written in rhyme and reason, are supported with amazing illustrations which enable the Trans-Leations to answer many questions about our past, present and future. They leave us in no doubt that in our own true stillness, a Pathway of truth is revealed to each and every Soul.
