

Stripped Down (1001 Dark Nights)

1001 Dark Nights is a collection of breathtakingly sexy and magically romantic novellas inspired by the exotic tales of The Arabian Nights. In the original, Scheherazade desperately attempts to entertain her husband, the King of Persia, with nightly stories so that he will postpone her execution. In our versions, each of our fabulous authors puts a unique spin on the premise and creates a tale that a new Scheherazade tells long into the dark, dark night. Never challenge a cowboy to a little naughty competition. A flirty game of sexual truth or dare between best man, Wynton Grant, and maid of honor, Melissa Lockhart during their BFFs wedding reception results in a steamy hookup. But their plans for a one and done change when a family crisis leaves Wyn shorthanded at the Grant Ranch. Experienced horsewoman Mel volunteers to help out and gets way more than she bargained for living under the same roof as the sexy rancher. Playing house has never appealed to Wyn until now. But the feisty redhead is keeping secrets and Wyn's not above stripping her bare?body and soul?to get to the bottom of it.
