

## Truce of God

In an arrangement known as the truce of God, the medieval monastery of Cluny encouraged its feuding neighbors to restrict warfare to three days of the week. Centuries later, violence has scarcely receded from public life, with new acts of brutality and injustice reported almost daily. Jesus said, Blessed are the peacemakers, and while his followers today may find quaint the medieval attempt at peace, Christians must continue to rise to the challenge of peacemaking. In this freshly updated edition, *The Truce of God* speaks anew to the realities of life in a terror-filled world. Treating war and peace as spiritual rather than merely political issues, Rowan Williams, the Archbishop of Canterbury, perceptively diagnoses the problem in theological terms. He begins by probing the religious dimensions of our inner fears as exposed by popular catastrophe films and fictions. He goes on to ask candid questions about the implications of seeing violence as something that ordinary human beings never decide to do but are forced into. Finally, Archbishop Williams reclaims the Christian sense that peace requires a decision to live as a new community rather than returning to some sort of natural harmony. Discussion questions at the book's end help to make his observations an excellent basis for small group study. Marked by the humane wisdom for which Archbishop Williams is well known, *The Truce of God* is a nourishing, hope-filled book that will amply reward all who read it.

The Peace and Truce of God are terms used to describe a range of measures developed by church authorities in France between the tenth and eleventh centuries. The Pax Dei was a conciliar movement which began in southern France in the late tenth century and spread to most of Western Europe over the next century. A temporary suspension of hostilities, as distinct from the Peace of God which is perpetual. The Peace of God began during the late 10th century as bishops attempted to control attacks on ecclesiastical property caused by private warfare between feudal lords. It is related to the peace of God, which exempted clergy, women, children, and

peasants from battle or attacks. Truce of God synonyms, Truce of God pronunciation, Truce of God translation, English dictionary definition of Truce of God. a suspension of arms promulgated The Truce of God (Lat. *treuga Dei*), first declared at an ecclesiastical council in Toulouges in 1027, established periods when fighting among Christians was to The Truce of God was something of a pacifist movement within the Church.
