

# Punk Rock People Management: A No-Nonsense Guide to Hiring, Inspiring and Firing Staff

Punk Rock People Management strips down HR to the bare essentials for busy people and those who are sick of HR jargon getting in the way of running a business. In the spirit of punk, each chapter is just one page long, which means that you can read a chapter in less time than it takes to pogo to a Sex Pistols or Linkin Park song! Punk Rock People Management is organised using the classic Life, Sex and Death HR cycle, in other words: Hiring, Inspiring and Firing. If you have to get things done with people and can't get no satisfaction from an HR textbook, try Punk Rock People Management for a refreshing difference.
