

Somebodys Ex: The Jackson Brothers, Book 2

If you're a fan of contemporary romance by Bella Andre, Lora Leigh, Maya Banks, Sylvia Day, then you won't want to miss Jasmine Haynes' heart-wrenching family saga, *The Jackson Brothers*. A family torn apart by tragedy... Three years ago, Lou Jackson, eldest son, died in a work accident. And nothing has been the same since for the Jacksons. They lost their heart and soul the day Lou died, even as matriarch Evelyn tries to keep them together. But things are changing and the family will either find their way back to each other. Or they'll be torn asunder. Randi Andersen has a thing for bad boys, tall, dark, sexy, and handsome. But bad boys invariably make for bad relationships. She's tired of being somebody's ex, ex-girlfriend, ex-lover, or ex-wife. Now, if she could just fall in love with a nice guy. David Jackson has lived under the crushing weight of responsibility for holding his family together since his brother's death three years ago. Randi is too sexy to resist, but the last thing he needs now is a relationship. Too much is at stake with his family falling apart. Can they each forgive their own past mistakes in order to take the leap of faith that love demands?
