

Cowboy Chatter article---First Encounters (Cowboy Chatter articles)

A colts first day of training is probably the most important day of his life. Starting colts takes as much time thinking about it as it does doing it. Here is a good primer on starting them the right way. First encounters leave a lasting impression so make it a good one. When you leave the pen it should always be as two friends finishing up a good days work. Learn the right way to start colts.
