

## Surrender: Careless Whispers 3 (The Inside Out Series)

New York Times bestselling author Lisa Renee Jones returns with the third book in the sexy, suspenseful Careless Whispers series. Passion burns fiercely hot between Ella Ferguson and Kayden Wilkens, the man who held secrets and lies in his hands, and then allowed them to fall into hers. But even though he has become her anchor--helping her recover from amnesia after finding her unconscious in an alley, and allowing her into his secret world--all is not what it seems. Kayden still has secrets, and pieces of Ella's past are still shrouded in the darkness of her mind, while the powerful man who hunts her will not stop until she is his. In this final, explosive novel in the Careless Whispers series, Ella discovers that while her life with Kayden didn't begin in that dark alley...it could easily end there.
