

The Executives Yellow Pages

Whether you're in the office or on the road, quick access to telephone and fax numbers is an important part of being productive. Despite the introduction of CD-ROMs sporting millions of names and numbers, on-line business reference services, PDAs, and the plethora of new print alternatives to the existing mountain of telephone directories, finding the number you need somehow seems to have gotten more difficult. If ever there was an area of business reference suffering from information glut, this is surely it. Enter The Executives Yellow Pages. This ingenious little reference organizes and lists 10,000 of the most commonly sought telephone and fax listings by American business. No installation instructions, batteries, or backbreaking weight here - just a handy, pocket-sized paperback that instantly offers what is needed and nothing more. The Executives Yellow Pages is certain to become indispensable for secretaries, office managers, business travelers, and CEOs.
